Dear Ms. Byers-Pinkney and Mr. Polisuk:

Notification has been received from Mr. Polisuk that you have selected February 3, 4, and 5, 2009 for the arbitration hearing of the captioned grievance.

Those dates have been set aside for you. It is my understanding the hearing will commence at 9:00 a.m. and be conducted at the correctional facility, 805 Fox Hollow Rd., Manchester, KY.

Finally, there have been changes my Fee and Expense Schedule, including my per diem, since my first appointment letter in 2006. A copy of my current Fee and Expense Schedule is included.

If I may be of any assistance prior to the hearing, please let me know.

Very truly yours,

Colman R. Lalka
